EDUCATION

SYRACUSE UNIVERSITY - B.Arch Candidate, 2030

School of Architecture - Dean's List, Fall 2025 (Academic Distinction), Coach Mac Food Pantry - Volunteer (Weekly), Phi Sigma Sigma Fraternity - Standards Board Member, Fall 2026 - Present

SHAKER HIGH SCHOOL - 2025

Three-year Captain of Varsity Soccer Team, Varsity Track and Field, Athlete of the Week, High Honors and Honors Student, National Honors Society, National German Honors Society, Proficient in German - Seal of Biliteracy, Participant in German Exchange Program to Saarbrücken, Germany

SKILLS

Software: Rhinoceros Modeling Software, Revit, Adobe Illustrator, Adobe InDesign, Adobe Photoshop, AutoCAD

Fabrication: 3D Printing, Laser Cutting, Hand-Drafting, Woodworking

PROFESSIONAL SUMMER INTERNSHIPS

Saratoga Associates - Saratoga Springs, NY

Architect Intern | June 2026 - August 2026

*Return Offer

- Assisted with schematic design development by collaborating with architects and landscape architects during client meetings and design discussions.
- Recreated project models in Revit to develop a thorough understanding of project scope, design intent, and construction documentation.
- Researched, evaluated, and organized Revit families and manufacturer building products for use in project models and specifications.
- Prepared product information sheets and construction research to support material selection and design decisions.
- Created and maintained submittal logs and organized project files to improve documentation and project coordination.
- Accompanied project architects on site visits to observe construction progress and compare field conditions with design documents.
- Utilized Adobe Photoshop to enhance architectural renderings through image editing, color correction, and graphic refinements for presentations and project materials.

DESIGN EXPERIENCE & COMPETITIONS

Museum of Emotions | International Design Competition

Buildner | Two-Person Collaborative Entry | 2026–Present

- Developing an architectural proposal exploring the relationship between spatial design, emotion, and human experience.
- Collaborating on conceptual development, spatial organization, and architectural representation.

Architecture I & II | Final Project Presentation

CSARCH | Shaker High School | 2025

- Presented and discussed architectural design projects with practicing architects at CSArch.
- Developed architectural drawings and physical models using AutoCAD, Revit, and hand-drafting techniques.
